# Ashutosh Raj

**Full Stack Web Developer (MERN)**

## Personal Profile

Observant and detail-oriented aspiring full-stack developer with a specialization in MERN stack. I believe in teamwork, I believe in hard work and I believe in deliberate work. I have worked on two collaborative projects: 1. Clone of Suger Cosmetic website. 2. Clone of Travelocity.

## Projects

### Suger Cosmetics Clone

Suger Cosmetic is an e-commerce website for cosmetic products.

**Features**

- Signup and login page.
- Landing Page (with Slider)
- Products Search Functionality

**Tech-Stack**

JavaScript | CSS | HTML

**Area of responsibility**

- Login & SignUp page

### Travelocity Clone

It is a clone of Travelocity's website made by using HTML, CSS, and JS.

**Features**

- Signup and login page.
- Search flight
- Add a flight

**Tech-Stack**

JavaScript | HTML | CSS

**Area of responsibility**

- Footer
